## CHEST Journal Subscription Rates - 2014

### 2014 CHEST Institutional Subscription Rates

Tier	Online Worldwide	Print + Online US & Canada	Print + Online Rest of World
Tier 1	\$288	\$372	\$420
Tier 2	\$348	\$432	\$480
Tier 3	\$732	\$816	\$864
Tier 4	\$1,140	\$1,224	\$1,272
Tier 5	\$1,896	\$1,980	\$2,028
Tier 6	Contact <a href="mailto:subscriptions@chestnet.org">subscriptions@chestnet.org</a> for quote		
Additional print* (12 issues)		\$84	\$132

\*Print only subscriptions are not available.

- Volume 145, Issues 1-6: January through June 2014;
- Volume 146, Issues 1-6: July through December 2014.
- New subscriptions start with the January issue of the current year unless requested otherwise.
- Expired subscriptions can be back-started up to 12 months upon request. A subscription ends at expiration unless renewal is paid 1 month prior to expiration.
- All subscriptions are payable in advance, in US dollars (USD), drawn on a US Bank. VISA, MasterCard, American Express, Discover, and Diners Card are also accepted. Please add appropriate sales, GST/HST, and VAT taxes.
- **Orders from agents must include complete end-user information to verify type of institution plus the name and e-mail address of the account administrator. Orders without this information will not be processed until the required information is provided.**
- The publisher offers a \$10 (USD) discount on each paid subscription received from recognized subscription agents. This discount is not offered on consortia orders.
- Cancellation requests must be received in writing within 90 days of the subscription purchase date to receive the prorated refund, less a 10% cancellation fee. Refunds will not be given after the 90-day cancellation period expires.
- Additional print copies are available to institutions that have a current print/online subscription and will carry the same expiration date.
- Rates are in effect immediately and until further notice.

To subscribe or request a quote, contact [subscriptions@chestnet.org](mailto:subscriptions@chestnet.org).

### 2014 Tiered Subscription Rate Key

Type of institution	Tier
