REQUIRED TO ATTEND CHEST 2022 AND/OR POSTGRADUATE COURSES

American College of Chest Physicians is committed to creating a meeting experience where you can safely and effectively conduct business. Therefore, CHEST requires all attendees, faculty, staff, and exhibitors working the show floor to have completed the complete course of an FDA-approved COVID-19 vaccination, including all boosters for which they are eligible, to participate in person at the CHEST 2022 annual meeting in Nashville, Tennessee.

- I attest that I either have completed or will have completed an FDA-approved vaccination for COVID-19, including any boosters for which I am eligible, by October 16, 2022.
- I understand that if I am unable to complete vaccination by that date, I will not be allowed to attend CHEST 2022.
- I will comply with all safety protocols enacted by CHEST or the venue.
- I understand that CHEST may revise all safety protocols based on the current conditions, legal requirements, and recommendations in place at the time of the annual meeting.

CHEST 2022 HEALTH & SAFETY CODE OF CONDUCT

We believe that maintaining the highest safety standard is critical to delivering a high-quality experience with the lowest reasonable risk in a manner that protects us all. For this reason, all CHEST 2022 registered attendees, faculty, staff, and exhibitors agree to follow the guidelines.

1. Remain home and avoid travel if experiencing any COVID symptoms.
 2. Follow masking recommendations that are in place for the City of Nashville/Davidson County at the time of the annual meeting.
 3. Greet others using elbow bumps, waves, and any other form of contact less gestures. Avoid shaking hands or giving hugs.
 4. Perform a health status self-check every day for any onset of COVID symptoms, as defined by the CDC.
 5. Isolate and notify the First Aid Office immediately if feeling ill while at the meeting.
- I will comply with all safety protocols enacted by CHEST or the venue.
