

Join us for the CHEST 2023 Annual Meeting, October 8-11, Honolulu, Hawai'i

Clinical Trials Postings

Raise awareness of your clinical trials with a critical audience

Description

The American College of CHEST Physicians (CHEST) is working to promote awareness of clinical trials that may benefit patients served by our membership of pulmonary, critical care, and sleep medicine physicians and other members of the health care team. CHEST is pleased to offer exhibitors and other companies that are conducting clinical trials the opportunity to share information about their clinical trials at the CHEST 2023 Annual Meeting. Our intent is to provide a service to assist companies that want to meet any or all of the following objectives: raise awareness of their trials and timely clinical developments; recruit principal investigators/sites for their trials; reach clinicians who can help recruit or refer patients into their trials; or address the need for diversity in clinical trials.

CHEST will provide the following:

- 1) A posting of your trial in a kiosk at the CHEST 2023 Annual Meeting in Hawai'i, taking place at the Honolulu Convention Center from October 8–11.
 - Your clinical trial will be featured in a prominent kiosk at CHEST 2023. CHEST will drive attention to the kiosk/trials listing with signage and other promotional tactics throughout the meeting.
- 2) A posting on chestnet.org.
 - CHEST will host a description of the trial on the CHEST website through December 31, 2023.
 - You can include information on your trial and a direct link to your company's dedicated page.
- 3) A listing of your trial in the CHEST Events app
 - CHEST will list your trial on a dedicated page within the official CHEST 2023 Events app.
 - A scheduled push notification from CHEST will direct all attendees to the Clinical Trials page.
- 4) Email post-conference
 - CHEST will send an email to meeting attendees following the conference that features the clinical trials posting.
 - CHEST will stay connected and nurture leads even after the event.

Fees

\$3,000 per trial for companies or organizations that are exhibiting at the CHEST 2023 Annual Meeting

\$4,500 per trial for companies or organizations that are not exhibiting at the CHEST 2023 Annual Meeting

An application must be completed, and fee must be paid for each trial to be posted.

Timing

Applications must be completed and submitted to CHEST by October 5, 2023, in order to be featured during the Annual Meeting taking place October 8–11, 2023. For applications received after October 5, 2023, CHEST may include the trial posting on the chestnet.org website and in the post-conference email.

For more information about this or other opportunities, please contact Kamilla Chmiel

Terms and Conditions Clinical Trials Posting CHEST 2023

By submitting the attached application, the Company agrees to be bound by the following Terms and Conditions:

- 1. Acceptance.** All applications are subject to review and approval by CHEST. CHEST reserves the right to reject any application for any or no reason. Applications are not approved until and unless confirmed in writing by CHEST.
- 2. Fees.** The Company shall pay CHEST the fees corresponding to the Activity within 30 days of being invoiced by CHEST.
- 3. Content.** The Company is solely responsible for the information provided for the posting. CHEST reserves the right to edit information as it deems necessary.
- 4. Eligible Trials.** Only verified clinical trials are eligible. CHEST reserves the right to require corroborating information for the purpose of determining eligibility. CHEST reserves the right to reject any application in its sole discretion.
- 5. Duration.** CHEST will maintain Company's posting in the medium(s) and for the duration set forth above, at the conclusion of which CHEST may remove the information.
- 6. Disclaimers.** The Company shall not state or imply that its clinical trial or any of its efforts or activities are endorsed by CHEST.
- 7. Cancellation.** CHEST reserves the right to cancel the activity at any time and for any reason and to refund the applicable fees in full.
- 8. DISCLAIMER.** CHEST does not guarantee that Company's posting will reach a certain number of clinicians, that a certain number, or any, will respond or have any other outcome associated with this service.
- 9. Entire Agreement.** These Terms and Conditions, along with the Application (together the "**Agreement**") constitute the entire agreement between CHEST and Company regarding this service and will not be superseded by any prior, subsequent, or separate agreement regarding the same subject matter. In the event of a conflict between a separate agreement between the parties and this Agreement, this Agreement will control.
