The Trainee Track: Your Guide to CHEST 2017

“I felt most at home during this meeting as I understood where to look for sessions that would be relevant to my interests.”

- Erin Crowley, MD
Trainee Work Group Member
Welcome to The Trainee Track, your guide to the CHEST Annual Meeting 2017 in Toronto. Keeping with this year’s theme, Team-Focused. Patient-Centered, we’re offering more sessions taught by multidisciplinary faculty that will help you optimize the clinical decisions you make.

This meeting is for you to expand your clinical knowledge, get hands-on training, and connect with chest medicine leaders.

Visit the CHEST 2017 blog to read insights from your leaders, colleagues, and other trainee attendees at chestmeeting.chestnet.org.

Make your own schedule!
Are you presenting a poster? Need to add your colleague’s session to your schedule? Download the CHEST Events App, and build your own schedule for this year’s meeting.

We can’t wait to see YOU in Toronto.

Be a social media champion!
Get connected with CHEST on our social channels, and stay updated with the latest news at CHEST 2017 and throughout the year. Here’s how you can join in on the conversation:

- Follow hashtag #CHEST2017 on Twitter, Facebook, and Instagram to get the most up-to-date information from the annual meeting.
- Can’t attend #CHEST2017 in person? Not to worry. Tune in to our Snapchat to get a behind-the-scenes look at sessions.
- Join us live and in-person for our #pulmCC Twitter chat on Monday, October 30.
- Grab an “I Tweet” ribbon for your badge.
- Include your Twitter handle on your name badge.
- Participate in daily social media contests for a chance to win prizes!

If you would like to get involved or learn more about our social media efforts, contact Taylor Pecko-Reid at tpeckoreid@chestnet.org.
Whether you are looking to expand your knowledge and skills through clinical updates, state-of-the-art simulation, or latest research, we have created a list of can’t-miss events tailored just for you!
